---

## IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 16, 2006

Mr. TIBERI (for himself and Mr. FRANK of Massachusetts) introduced the following bill; which was referred to the Committee on Financial Services

---

## A BILL

To modernize the manufactured housing loan insurance program under title I of the National Housing Act.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “FHA Manufactured  
5       Housing Loan Modernization Act of 2006”.

6       **SEC. 2. FINDINGS AND PURPOSES.**

7       (a) FINDINGS.—The Congress finds that—

8               (1) manufactured housing plays a vital role in  
9       providing housing for low- and moderate-income  
10      families in the United States;

1           (2) the FHA title I insurance program for man-  
2           ufactured home loans traditionally has been a major  
3           provider of mortgage insurance for home-only trans-  
4           actions;

5           (3) the manufactured housing market is in the  
6           midst of a prolonged downturn which has resulted in  
7           a severe contraction of traditional sources of private  
8           lending for manufactured home purchases;

9           (4) during past downturns the FHA title I in-  
10          surance program for manufactured homes has filled  
11          the lending void by providing stability until the pri-  
12          vate markets could recover;

13          (5) in 1992, during the manufactured housing  
14          industry's last major recession, over 30,000 manu-  
15          factured home loans were insured under title I;

16          (6) in 2004, fewer than 2,000 manufactured  
17          housing loans were insured under title I;

18          (7) the dramatic reduction in the use of the  
19          title I program is due primarily to certain structural  
20          problems of the program, which have resulted in re-  
21          fusal by the Government National Mortgage Associa-  
22          tion (Ginnie Mae) to accept new participants into  
23          the program since 1989, contributing to higher loan  
24          costs and fewer loan originators;

1           (8) the loan limits for title I manufactured  
2       housing loans have not been adjusted for inflation  
3       since 1992; and

4           (9) these problems with the title I program  
5       have resulted in an atrophied market for manufac-  
6       tured housing loans, leaving American families who  
7       have the most difficulty achieving homeownership  
8       without adequate financing options for home-only  
9       manufactured home purchases.

10       (b) PURPOSES.—The purposes of this Act are—

11           (1) to provide adequate funding for FHA-in-  
12       sured manufactured housing loans for low- and mod-  
13       erate-income homebuyers during all economic cycles  
14       in the manufactured housing industry;

15           (2) to modernize the FHA title I insurance pro-  
16       gram for manufactured housing loans to enhance  
17       participation by Ginnie Mae and the private lending  
18       markets;

19           (3) to adjust the artificially low loan limits for  
20       title I manufactured home loan insurance to reflect  
21       the increase in costs since such limits were last in-  
22       creased in 1992 and to index the limits to inflation;  
23       and

1           (4) to ensure that the title I manufactured  
2           housing loan insurance program requires no credit  
3           subsidy from the Federal Government.

4   **SEC. 3. EXCEPTION TO LIMITATION ON FINANCIAL INSTI-**  
5                   **TUTION PORTFOLIO.**

6           The second sentence of section 2(a) of the National  
7   Housing Act (12 U.S.C. 1703(a)) is amended by striking  
8   “In no case” and inserting the following: “Other than in  
9   connection with a manufactured home or a lot on which  
10   to place such a home (or both), in no case”.

11   **SEC. 4. LOAN-TO-VALUE RATIO AND DOWNPAYMENT RE-**  
12                   **QUIREMENT.**

13           Subsection (b) of section 2 of the National Housing  
14   Act (12 U.S.C. 1703(b)) is amended by adding at the end  
15   the following new paragraph:

16           “(8) LOAN-TO-VALUE AND DOWNPAYMENT LIMITA-  
17   TIONS ON MANUFACTURED HOUSING LOANS.—No insur-  
18   ance may be granted under this section to any such finan-  
19   cial institution with respect to any obligation representing  
20   any such loan, advance of credit, or purchase by it in con-  
21   nection with a manufactured home or a lot on which to  
22   place a manufactured home (or both) unless such loan or  
23   advance of credit, or any loan or advance of credit rep-  
24   resented by such an obligation—

1           “(A) involves a principal obligation not exceed-  
2           ing the sum of—

3                   “(i) the amount of the mortgage insurance  
4                   premium paid by the borrower at the time that  
5                   the loan, advance of credit, or purchase is  
6                   made; and

7                   “(ii) 95 percent of the appraised value of  
8                   the manufactured home or lot on which to place  
9                   a manufactured home (or both) for which the  
10                  loan or advance of credit is made; and

11                  “(B) such loan or advance of credit is made to  
12                  a borrower who has paid in cash or its equivalent,  
13                  on account of the manufactured home or lot on  
14                  which to place a manufactured home (or both) for  
15                  which the loan or advance of credit is made, at least  
16                  3 percent of the Secretary’s estimate of the costs of  
17                  acquisition, alteration, improvements, lot prepara-  
18                  tion, or other eligible activity for which the loan or  
19                  advance of credit was made (excluding the amount  
20                  of the mortgage insurance premium paid by the bor-  
21                  rower at the time that the loan or advance of credit  
22                  is made).”.

23 **SEC. 5. INSURANCE BENEFITS.**

24           Subsection (b) of section 2 of the National Housing  
25   Act (12 U.S.C. 1703(b)), as amended by section 4 of this

1 Act, is further amended by adding at the end the following  
2 new paragraph:

3       “(9) INSURANCE BENEFITS FOR MANUFACTURED  
4 HOUSING LOANS.—Any contract of insurance with respect  
5 to loans, advances of credit, or purchases in connection  
6 with a manufactured home or a lot on which to place a  
7 manufactured home (or both) for a financial institution  
8 that is executed under this title before or after the date  
9 of the enactment of this Act by the Secretary shall be con-
